 The new board of assessors will meet and organize this morning. The only change will be the substitution of Oscar P. Ives, republican, for Charles Spreyer, democrat. BATELL CHAPEL.

Preaching Yesterday by Rev. Dr. Emerson of Worcester, Mass.
 Rev. Dr. Emerson of Worcester, Mass., preached before the Yale students in Battell chapel yesterday morning from the text: "Learn to do well." Isaiah 1:17. His sermon was in the main concerning conduct which he agreed with Matthew Arnold in saying comprised three-quarters of life, while art or the practical work of life composes one-eighth and the acquisition of knowledge the other eighth. He urged that men keep their lives pure and without reproach, that they form the habit of good conduct. For if it is difficult to acquire a trade or to gain proficiency in an occupation by which one can gain his livelihood, how much more difficult and how much longer a time will it take to acquire the habit of reasonable and moral conduct?
 In the evening Dr. Emerson spoke before the general religious meeting of the university in Dwight hall.

OFF FOR EUROPE.

President Clark of the Consolidated Takes a Quiet Departure.
 President Charles P. Clark of the Consolidated railroad sailed for Europe on the steamer Campana of the Cunard line at 11 a. m. Saturday. His original intention was not to start on his annual European vacation until a date several weeks hence, but within a few days he found that he could make a change in arrangements whereby he could sail as stated. One of the purposes of his trip this year is to take in the convention of Railway Engineers of the world, which is to be held this month in Paris. The duration of Mr. Clark's trip has not been decided upon. He may not return until August and may return in six weeks.

The Sale of Art Goods.

Many buyers are surprised at the low prices at which fine pictures, China, glass and bric-a-brac are being sold at Cutler's Art store. The reason for this special sale is that Mr. Cutler goes to Europe June 26 to select goods, therefore wants much money, and will want much room for his new importations in the early autumn. *Jet 21*

Caught Curtains

just in the nick of time. Fine Nottingham Lace Curtains. Got them at a way-down price, 'cause we took the tag end of an Importer's stock just as it was, maybe 15 to 20 different kinds, with from only 2 to 12 patterns in a kind. The "tag end" part relates only to quantity. The curtains are perfect and belong to the season of '95.

To you, it means \$1.50 a pair instead of \$2.25. \$2.00 instead of \$3.00. \$3.00 instead of \$5.00 and so on up. 600 yds. of Curtain Muslin with embroidered edge and figure, 12 1-2 c. a yd. Last of the season at that figure. Upholstery, Second Floor.

We'll Give Away

on Monday, one of the best books ever published, to customers purchasing to the amount of \$1.00 or over. The number being limited we can give but one to a customer.

This book of 160 pages is Marion Harland's "Talks Upon Practical Subjects" with contributions by ten other of the most celebrated writers. Marion Harland's name is a household word. If there is one book in the world that isn't "dry," this is it. A real living book. It teaches in the simplest yet most thorough manner how to properly treat our bodies. If people fully understood its value they'd pay \$1.00 rather than miss it. The regular price is 75 cents.

Air, Food, Exercise, Nerves, Sleep, The art of Dress, How to live long and well," are some of the important subjects talked about. A real everyday book for every day people. Free we said, to every one who purchases to the amount of \$1.00 or over on Monday.

The Shortest Cut

to a successful Suit Sale is straight across the field of high prices. We take it. Start Monday Morning.

25 Ladies' Blazer Reefers, Eton, and Double Breasted tight fitting Suits now sold numerously at \$7.50. Short cut price, \$5.50.

Another lot of 30 Suits now rapidly gaining owners at the rate of \$12.75 and \$15.00, tumble to \$10.00—the short cut price.

The cloths are all wool serges, twills, covert cloths, scotch mixtures and fine French twills in blue, black and colors.

The Skirts of these Suits are 4 1/2 and 5 yds. wide, some all lined, some half lined, every one faced with silk and some of the Blazer Suits are lined throughout with satin rhadame.

All we ask, is that you look into the merits of this Suit Story before you buy your next Suit.

Sudden Showers

a sharp sun and a poor umbrella, or no umbrella, puts one in a bad fix. Avoid the fix by getting under the Umbrella.

For Monday, on Bargain Table No. 1, a lot of 25 inch Rain or Sun Umbrellas good quality, twilled silk with case to match, choice of Congo oak or Weichsel hook handles, with silk tassels.

MALLEY-NEELY & CO.

Price, 9 cents? Yes. And you've paid \$1.50 for no better. In point of color and quality of silk they're guaranteed, for ordinary wear, one year.

Sea Shore Serges

Good stay-at-home Serges, too, but particularly good to travel in and summer in. For beach, boat or mountain. Regular out-of-door Serges.

In navy, cardinals and cream white. Checked, plain, smooth finish and wide wale effects. The wavy surface of the cream white silks dust as quickly as it lands.

Creams and cardinals, for skirts, are taking the place of cotton goods for seaside use. Cardinals are very novel. Like some other things we have, they're a trifle ahead of New Haven, but at Long Branch and Newport they'll be quite the thing. Dress Goods, Main Entrance, Left.

We've Trimmed

the price of all remnants of Dress Trimmings right down to the middle mark. Only another way of saying half price. Main Entrance, Right Aisle.

Summer Comfort

without a Hammock? Hardly. See how little we'll charge for Hammocks made right, meshed right, lengthened right, widened right, priced right. In the same room you'll find desirable canopies, netting, light weight bed quilts, horse sheets, lap robes, carriage whips, etc. As to horses, there's about everything for horses, except the harness. Flannel Section.

Marked Millinery

Marked down, we mean. The relentless price-presser has been through the parlors handling every hat and hitting off, not only the profit, but lacking at the cost.

A fine lot of Straw Hats, Bonnets and Turbans that were \$1.25, \$1.50 and \$1.75, cut to \$1.00 each. Ladies' Sailors, in split and Milan braids, new and extra fine in quality, \$1.50 each.

But follow up the pervasive down-marking process and study its money meaning. Millinery Parlors.

Fans in Fashion

and fashions in fans. Size, folds, fuses or plainness. Every possible wrinkle in vogue. Prices just straight and slim.

A new Soda Fountain, fresh and sweet, cool and clean. Pure Ice Cream Soda. Pure fresh fruit syrups. Genuine Saratoga Spring Water.

45 inch Hemstitched Lawns 20 and 25c. a yd. 45 inch fast black Hemstitched Lawns, 19c. a yd. The Linen Court.

The Greatest Drawing

cards at the Men's Furnishings Counter, are the White Duck Pants, 98 cents. The washable Neckties, pretty as silk, 10 to 25 cents. The light weight Summer Underwear with lighter prices. Stylish Straw Hats, costing considerably under a half dollar. Outing Shirts priced and patterned and sized to suit the saving, the soggy and the slim.

Ladies' Rain Coats

Better known as Mackintoshes. The blue, wantable colors, (only blue) 1, 2 or 3 capes, double texture, plaid lining. Last year you'd have paid \$10.00. Monday you may own one for \$3.98. We did this same thing about six weeks ago. Could you meet one of those lady buyers, she would do more for the success of this sale than we could. Apply to Bargain Table No. 2.
